NOTE: For Field Events ONLY starting in Column N, approximate starting times may be followed by a letter(A or B) indicating more than 1 comp area
For the most part, flights have been kept small to move more quickly and because Hammer/Javelin have to be run at another site. Shuttle service will be provided to and from the two schools
Also, you may note that in some cases, it appears only 30 minutes are scheduled for an event. In most cases, that's because the flights are small.

Officials know that many of you are competing in multiple field events and because of the two venues they will have leeway to add you to another flight if you miss your scheduled time.
